Community

The Carp Ridge EcoWellness Centre is home to a unique family of services including our Natural Health Clinic, Learning Centre, Healing House Canada & the Carp Ridge Healing House. People work with us from all over North America to benefit from our holistic programs -- including the resolution of cancer and other chronic illnesses.

Katherine Willow ND, Director

The professionals at the **Carp Ridge Natural Health Clinic** specialize in natural medicine, bodywork, emotional work, nutrition, yoga and much more. We offer individualized treatment regimes for all conditions using a unique team-based approach to healing.
